### SCREENING CHECKLIST QUESTIONNAIRE FOR SCHOOL ENTRY

Parents/Guardians please use this questionnaire daily to decide if your child(ren) should attend school.

Thank you for your understanding and cooperation in helping to care for one another.

1.	Does your child have any of the following symptoms:	Yes	No
	Fever		
	Cough		
	Shortness of breath or difficulty breathing		
	Severe chest pains		
	Chills		
	Painful swallowing		
	Sore throat		
	Runny nose or congestion		
	Feeling unwell		
	Fatigued		
	Confusion		
	Nausea, vomiting or diarrhea		
	Unexplained loss of appetite		
	Loss of taste or smell		
	Muscle or joint aches		
	Headache		
	Conjunctivitis		
2.	In the last 14 days, have you or anyone in your household returned from travel outside of Yukon?		
3.	Have you or anyone in your household had close unprotected contact (face-to-face contact within 2 meters/6feet) with someone who is ill with cough or fever?		
4.	Have you or anyone in your household been in close unprotected contact in the last 14 days with someone who is being tested or confirmed to be a case of COVID-19?		

If the answer is “yes” to any of the above questions, please do not enter the school at this time. You and your child should stay home and use the Yukon COVID-19 Self-Assessment tool at: [service.yukon.ca/en/covid-19self-assessment](https://service.yukon.ca/en/covid-19self-assessment) or contact a health care provider for additional guidance.

If the answer is “no” to all the above questions, your child may attend school.

More information is posted on the school website at JES School Operational Plan for Reducing Communicable Disease for 2021-2022 and will be updated from time to time as the Yukon Chief Medical Officer and team monitor the epidemiology of COVID-19.
